To whom it may concern,

Jim Tedder, Tedder Productions provides outstanding service and value to our Chamber events. I highly recommend his company for business, professional or personal celebrations and events.

The first year Jim Tedder provided DJ and announcement services for our Business EXPO I realized that I had never really understood how essential a great DJ can be to improving the value and ambience of our events. What a difference having Tedder Productions as our DJ made!

Jim Tedder understands that promotion and recognition of sponsors is very important, yet weaves the recognition into his announcements with such ease—I have to smile in amazement every time I hear him. He is really really good at what he does. People listen!

We have worked with Jim Tedder at a variety of events including Taste of Clarkston, Clarkston Holiday Lights Parade and the Business EXPO. In each venue, inside or outside, rain, snow, wind, heat or humidity; Jim is prepared, on time and very pleasant to work with. Jim provides us with professional and friendly service without exception.

Jim Tedder works well with volunteers and paid staff that work our events. He sets a comfortable, pleasant tone and no matter what might get thrown at him.

I strongly recommend Jim Tedder, Tedder Productions. He continually meets and exceeds my expectations. Tedder Productions improves each of the events he's involved in and proves over and over that great service DOES make a difference.

Sincerely,

Penny S. Shanks  
Executive Director
